What is it: Our Lodge Page (OLP) is a dynamic tool that enables lodges to keep in touch with their lodge and lodge brothers. OLP is both a webpage and a smartphone app.

With OLP you can:

- View the news feeds from our lodge and neighboring lodges
- See upcoming meetings for our lodge and neighboring lodges
- RVSP to dinners and meetings
- see who else is attending those meetings
- search your lodges' membership directories
- Download your dues notice
- We are hoping that next year you will be able to pay your dues from OLP

Our Lodge Page provides secure access to Masonic information and receives constant updates on membership from the Grand Lodge of Kansas database.
